

ROTEC

Coastline 200 2.0

Adjustable at head
and foot

2 ultra quiet motors

Foldable bed for easy delivery
and installation

Illuminated cordless
remote control

The Coastline 200 2.0 is a flagship model in the comfort range. Easy to use and equipped with features that ensure optimal comfort, this bed benefits from an intelligent design that emphasizes well-being.

The Coastline 200 2.0 offers two ultra-quiet motors and benefits from innovative technology to adapt your bed to your relaxation activities.

Equipped with a Bluetooth receiver and a wireless backlit remote control, it can record your favorite positions and get flat, zero gravity and reduced snoring at the touch of a button.

Foldable, this bed is easy to transport and install.
