

Series R-200

Medium-firm mattress consisting of a high-resiliency foam lamination and soft foam ensuring smooth, even comfort. The Series R-200 model is low-maintenance and available in a variety of sizes. It undergoes antibacterial, anti-mold, anti-fungal and fire resistance treatment. The flexible polyurethane-polyester fabric helps reduce pressure.

The Series R-200 is covered with an Integrity 30 fire barrier fabric to make it self-extinguishing.

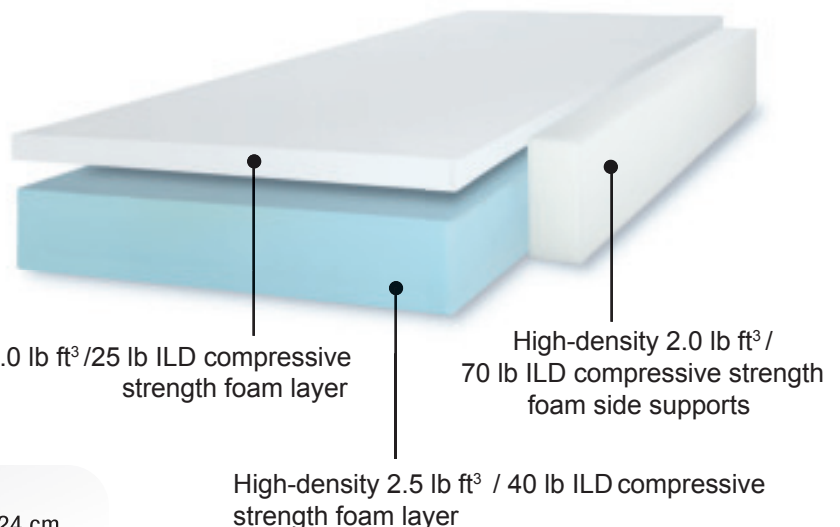

Meet: CAN/ULC-S137:2017 standard
CAL TB 129 standard.

Zippered cover made of antibacterial, anti-fungal, anti-mold and fire resistant polyurethane laminated polyester.
