

Series R-350

This mattress offers plush support with its high resiliency foam covered with The Serene™ technology adapts to the many features of the human body, and contrary to memory foam it is unaffected by temperature. The Serene™ foam is reinforced with billions of microscopic air pockets that improve support all while alleviating the body's pressure points. The Serene™ technology is hypoallergenic.

The Series R-350 is covered with an Integrity 30 fire barrier fabric to make it self-extinguishing. Meet: CAN/ULC-S137:2017 standard
CAL TB 129 standard.

Mattress cover includes zipper fastener and polyester flap laminated over polyurethane
