ROTEC INTERNATIONAL
ADJUSTABLE BEDS

Preventive Series

R150 PLUS

Dimensions : 36” x 80” x 6” (90 cm x 200 cm x 15 cm)

- PVC-free PU cover, dust mite-proof, antifungal, and flame retardant.
- Durable and flexible fabric material which helps reducing pressure points.
- Two heavy-duty carrying handles.
- Specifically cut to redistribute pressure points.
- The air passages keeps the user’s underside dry and cool by preventing the accumulation of heat.
- Foam with a density of 22 kg/m3.
- Covered with a fire-resistant net to make it self-extinguishing. It meets the flammability standards CAN/ULC S-137 and 16 CFR Part 1633 (US).
